Local Decorating Business Donates Packages to Area Fundraisers Locust Grove Designs Donates to Party for a Cause and Party to Make a Difference

August 15, 2011 - Locust Grove Designs, a decorating, staging and color consultation company located in Charlton, NY, announced today that it has donated a three hour consultation package to two area fund raising events – Party for a Cause and Party to Make a Difference. Party for a Cause benefits The Baptist Health System Foundation and Party to Make a Difference raises funds to help Life Made Simple provide more than 200 cleanings per year to families affected by cancer.

“This has been an incredible year for my family and me,” comments Dawn DiLorenzo, owner of Locust Grove Designs. “Starting my own business in a time of economic uncertainty has allowed me to really evaluate what’s important to me and figure out ways I can use my business to help the members of my community. Taking part in these events is just a small way that I can help other people going through difficult situations.”

[Party for a Cause](#) will be held at Vapor Night Club in Saratoga Springs on August 25th from 7-9pm and Party to [Make a Difference](#) will also be held at Vapor Night Club on September 1st at 8pm. To learn more information on either event, please visit the respective websites or visit the Locust Grove Designs [Facebook page](#).
